## Rules and Rates Covering Forwarding of Seeds, Etc.

DOMESTIC PARCEL POST RATES On Seeds, Etc., Within the U. S.	First Pound or Fraction	Each Addi- tional Pound or Fraction
FIRST ZONE— And within 50 miles of Houston.....	5c	1c
SECOND ZONE— Within 50 to 150 miles of Houston....	5c	1c
THIRD ZONE— Within 150 to 300 miles of Houston...	6c	2c
FOURTH ZONE Within 300 to 600 miles of Houston..	7c	4c

**WEIGHT LIMIT**—Parcel Post packages must not exceed 70 pounds in weight for the first two zones, and 50 pounds for the other zones.

**ZONE RATES**—May be had by applying to your postmaster, who will tell you which zone you are in with reference to Houston.

**PRICES**—Our prices are subject to market fluctuations; however, we will not advance prices unless absolutely necessary.

**POSTAGE**—We pay postage (except where otherwise noted), on all seeds in packages, ounces and pounds.

**PRICES**—On Peas, Beans, Onion Sets, etc., are given, both prepaid and at customer's expense for transportation.

**WE DO NOT** send goods C. O. D. unless cash to the amount of one-fourth of order accompanies same.

**ERRORS**—We make them—so does everyone—and we will cheerfully correct them if you will write to us. Try to write to us good-naturedly; but if you cannot, then write to us anyhow.

When personal checks are sent, add 10c to cover the cost of collecting. Banks charge exchange on personal checks.

**GUARANTEE**—While we use every care to have all seeds pure and reliable, it is impracticable to guarantee seeds under all circumstances. There are many contingencies arising; not sowing at a proper depth; the soil not in proper condition at time of planting, too wet or too dry. For this reason we give no warranty, express or implied, as to description or quality of any seed we ship, and we will in no way be responsible for crop.

# RABBITS

Why not raise commercial Rabbits, increase your income, decrease your meat bills, save all your waste, such as vegetables, greens, dry bread, potato peels, etc? They require very little attention, mature at from five to eight months of age, in many cases bring from eight to twelve young at each litter. Will bring four to five litters a year. Will weigh from five to eight pounds each at four months old, are ready to eat or market at that age, and bring good prices.

If you only supply your own table you will save money.

We raise New Zealand, Rufus Red and Flemish. "The best is the cheapest." All our parent stock pedigreed and registered. Satisfaction guaranteed. Breeding stock for sale at all times.

## POULTRY FEEDS

**Produce Most Pounds Poultry Meat—Most Eggs at Least Cost.**

That's the kind of Poultry Feeds you want—feeds which in the same time and at much less cost will put extra pounds of meat on each bird and develop larger, earlier laying pullets.

The Quaker Oats Company have been making feeds for animals for half a century, thereby acquiring expert knowledge, experience, facilities, second to none and naturally are qualified to manufacture the best poultry feeds in the world.

FUL-O-PEP POULTRY FEEDS have no equal—our customers' experiences prove it. Two-pound broilers at a feed cost of only 18c! Think of that. Have you ever raised 2-pound broilers at 2 months old on only 18c worth of feed? Or 3-pound at 3 months old? No, but you can do it with FUL-O-PEP FEEDS.

FUL-O-PEP Growing Mash .....	\$4.75 per 100 lbs.
